

AN EVENING WITH  
**CONNOR JAMES**

WITH SPECIAL GUEST

**WEDNESDAY, MAY 16TH, 2018**

**THE CHROME ROOM, DEERFOOT INN & CASINO**

A born and raised Calgarian, Connor James is a talented and passionate country music artist and writer, who for the past number of years has worked tirelessly to hone his career, performing and making live radio appearances across Alberta. Over this time, Connor has recorded 2 original songs, “# Awesome” and “Mistake”, both of which were picked up for airplay by country stations across Canada. Connor also recently opened up for Doc Walker here in Calgary.

The fundraiser will feature live music from Connor and his band, with an opening performance by local Okotoks artist Michela Sheedy, along with a silent auction and cash bar. Proceeds from the evening will provide financial assistance in the continued development of Connor James’ musical career, with a donation also being made to the Alberta Music Education Foundation, to promote the advancement of music education, support opportunities, and appreciation for all Albertans.
